

ST. JOSEPH'S COLLEGE, MOOLAMATTOM

Arakulam P O, Idukki (Dist)

ALUMNI FEEDBACK REPORT

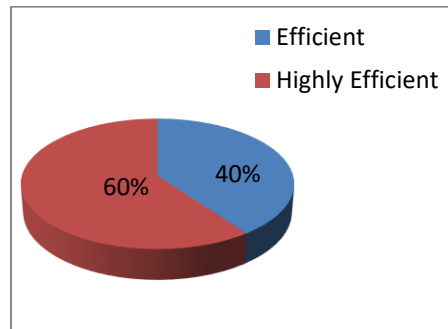

The report collates the responses received from the Josephine Alumni regarding the various services rendered to them and also the amenities provided to them by the institution. The Questionnaire was mainly focused on the developmental activities organized by the college for the holistic development of the students, employment opportunities enabled to them by the institution through campus recruitments, educational experiences, especially teaching, seminars and workshops, library services, other infrastructural facilities like computer facilities, internet – Wi-Fi services, also the stimulation given to sports and cultural activities, NSS, NCC activities and the encouragement imparted to it by the faculty. From the various responses received, it became evident that the alumni members were able to give substantial input to the IQAC, through the feedback system.

1. Developmental activities of the College

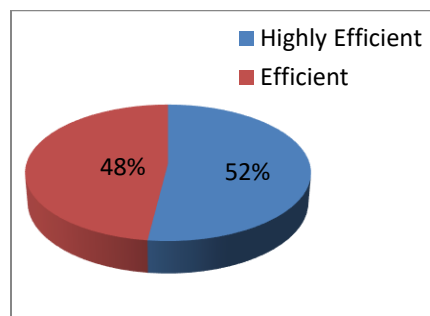

Majority (70%) of the alumni members stated that the overall developmental activities of the college are sufficient enough to provide the students an effective and invigorating ambience for learning and also stated that it enabled them to enhance the holistic development of their own personal self. Remaining 30% commented that the college should take more steps to provide more facilities for the students.

2. Teaching

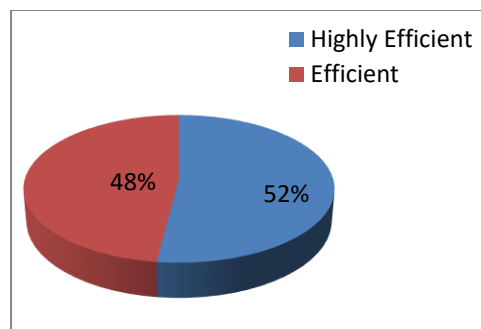

Almost 60% of the alumni members responded that the faculty of our college has profound dexterity in teaching and they also attested that our faculty aids the students to unravel the treasure troves of knowledge by their innovative teaching methods.

3. Class room environment

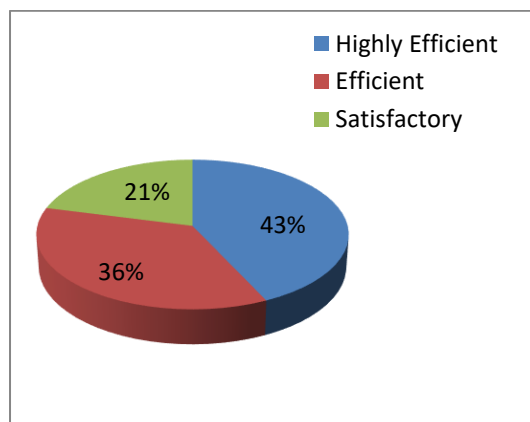

Almost 52% of the respondents opined that the classroom environment of the college is highly efficient and the remaining 48% found it as efficient, as our college enables the students, a friendly and enthusiastic atmosphere of classroom learning. Our faculties always play the role of a teacher cum mentor figure as they motivate each and every student to attain the zenith of knowledge.

4. Labs and Equipment

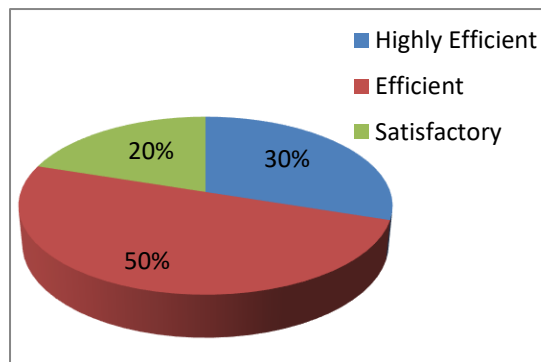

Out of 60 persons around 45% commented that the labs and equipment provided by the college are highly efficient and around 44% stated it as efficient, as the college labs are highly equipped and we have one major research center too. Meanwhile, around 11% opined that the college should provide more equipment facilities for higher aspects of research and learning.

5. Library

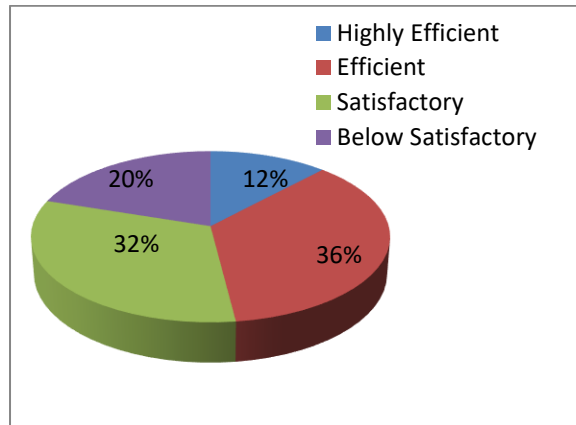

Around 79% of the respondents commented that the library services of the college are efficient, as our college library has a collection of almost 18708 books, 44 journals, and 10 periodicals on all relevant subjects. Meanwhile 21% responded that it would be more convenient if more facilities are also included.

6. Computer Facilities

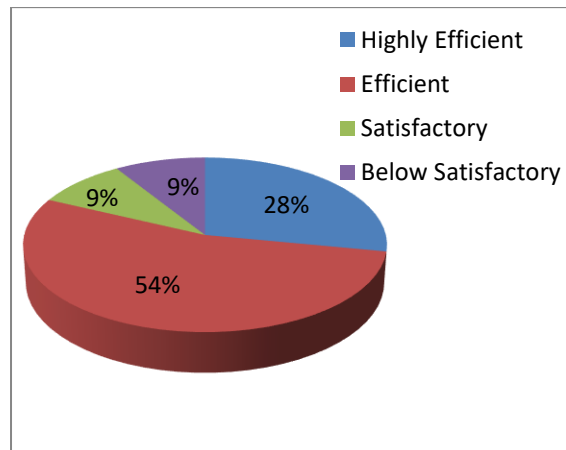

Out of 60 respondents around 50% commented that the computer facilities provided by the institution are efficient. Meanwhile almost 20% of the respondents commented that the institution should enable more services.

7. Internet and WiFi

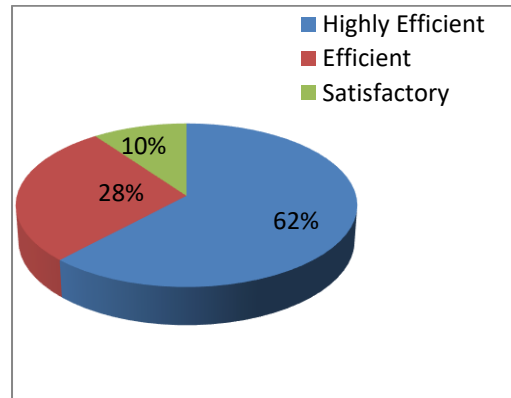

Out of 60 respondents, 12% of the Josephine Alumni commented that the internet and wifi services rendered by the college are highly efficient. Almost 68% of the respondents found it as satisfactory, which signifies that the college should ensure the effective functioning of the network connection which it provides.

8. Sports and Cultural facilities

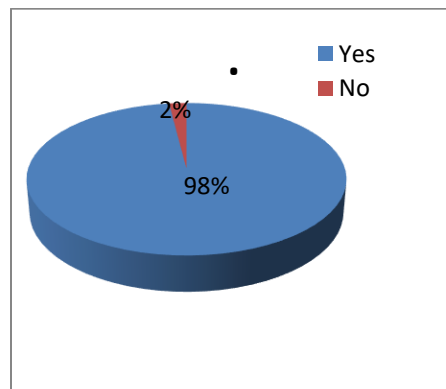

Almost 82% of the Josephines are highly satisfied with the encouragement, support given and the facilities provided for the enhancement of the abilities and talents hidden in every student individual. The remaining 18% voted for more support.

9. NSS and NCC

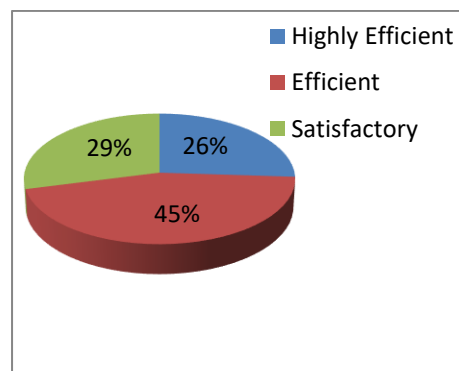

Around 90% of the Josephines are happy with the vibrant and challenging activities of the NSS and the NCC units of our college. Both the NSS and NCC units of our college still crown the throne for being the best clubs of our college, after Student's Palliative Care Initiative.

10. Subject Knowledge

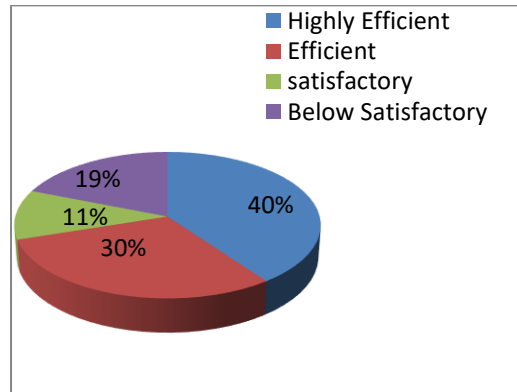

Majority of the alumni members (98%) joyfully thank the college faculty members for being enriched with deep knowledge in their subject of study.

11. Industry- oriented projects

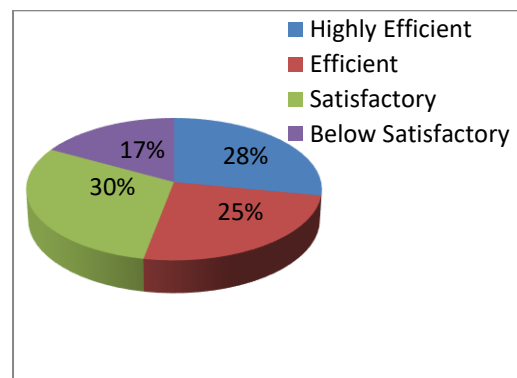

Out of 60 respondents almost 71% of the alumni members attested that the industry- oriented projects which our college enables are of high quality and efficient. Every year our college enables opportunities for the students to visit and learn the functioning and administration of major industries. Motivational talks and invited talks by successful entrepreneurs are organized by the Entrepreneurship Development Club.

12. Seminars and Workshops

Almost 70% of the Josephines attested that the seminars and workshops which the college conducts are of high quality and they also commented that the college should organize more workshops and seminars, as the students will get the opportunities to learn and analyze more through these scholarly summits as it will aid them to think out of box and thus it helps them not to become book worms. Every year most of our departments conduct national and international seminars.

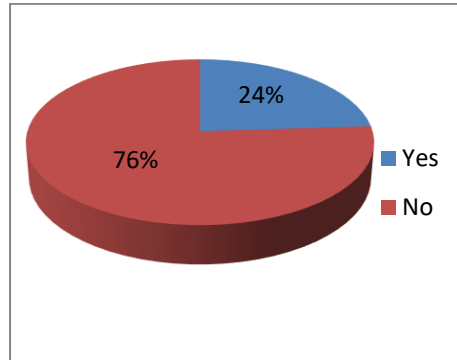

13. Special training classes

Around 53% of the alumni members commented that the special training classes enabled by our college are of high quality, as it aided students in achieving the high peaks of excellence. Student

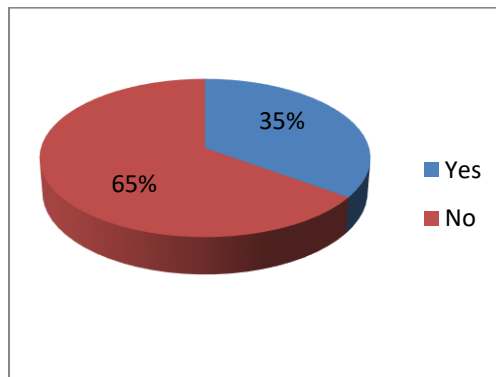

support programs like ‘Walk with a Scholar’, remedial sessions and bridge courses helped the students to become thorough with their specific field of study.

14. On-campus placement opportunities

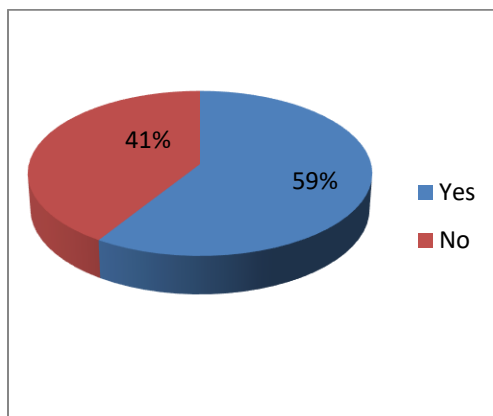

Out of 60 respondents 76% of the alumni members commented that they are not satisfied with the activities of the Placement cell of the college. They suggested that the cell should invite more companies for campus recruitments in our college, rather than the small scale recruitments which the cell conducts every year. However 24% of Josephines attested that they are benefitted by the Placement cell.

15. Off Campus placements

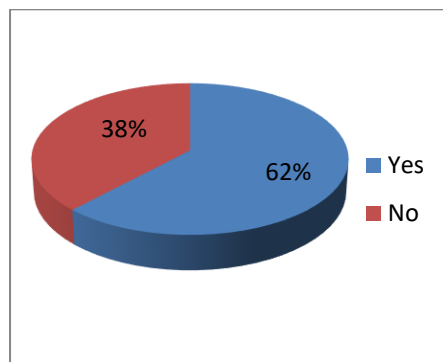

Almost 65% of the alumni members opined that they should be notified about the off campus placements. They also suggested that it would be helpful for them, if the cell provide recruitment notifications through social networking sites.

16. Invited Talk

Almost 59% of the Josephines proudly declared that, if they are invited for a talk, then they are happy to share with their juniors, the experiences and beautiful memories which they had, while studying here. They also commented that they are proud to become a part of Josephine alumni and are willing to aid our institution's developmental activities.

17. Grievance Cell

Out of 60 respondents almost 62% stated that the functioning of the Students' Grievance Cell of our college is efficient and effective.

SUGGESTIONS

- Enhance the employability of the students and enable the usage of social networking sites for notifying the students about off campus and on campus recruitments.
- Technology up gradation for secured and efficient WiFi services.
- Give more emphasis to the cultural activities of the students, along with the emphasis given to their academic performance.
- Construction of Synthetic Track, so as to give emphasis to sports too.

- To conduct more International and National seminars.
- Provide e-library and e-learning for the students.
- Provide training for talented students to participate in Intercollegiate and University level competitions.
- Organize soft skill training, so as that students will be able to communicate easily.
- Enable more computer facilities.
- Upgradation of science labs with more technological equipments.
